PROUD MOMENTS FROM A GREAT WEEKEND

From a ghostly silhouette lurking at the viewing of the *Animal House* movie, to the proud patriarch surmising his gathered flock – a great time was had by all participants! Who knew that tailgating at dawn before golfing would be such a fantastic idea?! The stories, the memories, the food, the restaurants, the brothers – nearly 35 all told...played and romped in the September sunshine like, well – it was the late '60s and '70s! ☺ The photos and comments over the next couple of pages are but a glimpse into the long planned excursions on the links by Dave McCulla '73, and his cast of one! THANKS for the opportunity to join the memorable characters that are the legends that scrapbooks are made of – let's do it again sooner than later, Dude!

Blutarsky? Nope, it was McPhail! Oh, but of course – Toga, Toga! ☺

Just look at all them dumb shits having a great time!

DAY ONE – 8 hearty souls take on Amana ☺

Dave McCulla '73, Andy Fairlie '74, Tom Fisher '73, Larry McPhail '72, Doug Baldwin '76, Kurt Tjelmeland '84. Ken Procter '75 & Tom Hazelton '77

Shazam! That ol' Crockett coon tail got gnarly with my woodie!

WTF?

Nice shankasaurus, K.P.!

Don't look at me – Fisher sharked!

DAY TWO – Started bright & early with the arrival of the McDonald '84 motorhome ☺

Spence actually thought we were excited to see him?

You'd think Fairlie thought he was on the tarmac parking jets!

A little to the left, Shirley! Geez.....

I didn't listen to Jack MeHoff as a pledge, why would I listen now?

Jack Minder '81 is a bean counter by trade – he just knows the belly of the beast has his morning toddy waiting for him!

Douche bag grizzly dick, whale sperm bastards!

Hi. My name is Steve Moon '77, and I'm retired ☺

I'm here, I'm here – you can worship me now.....and move that R.V. !!

I have the "Man in Charge" hat, and am the senior brother – until Render's old ass shows up!

Do you polish that once or twice a week?

After that ride over here with Jacobs '75 at the wheel – I need a drink!!

Steve Moon '77, Ed Franklin '76, Pat Steele '75, and Doug Baldwin '76

A special THANKS to Kurt Tjelmeland '84 and Chuck McDonald '84 for their visionary tailgate idea!

I lost this one over here at a hayrack ride in '79, and the three next to it to my formal date in '80, and.....

Minder '81 regales the challenge of follicle loss to Tjelmeland '84.

I would like the Bobby Thonn '73 Special – double on the olives - hold the mix!

O.K. – that tailgate could have gone on for hours – we left breakfast pizza on the table!!
 BUT, we actually gathered to play some golf, errr – lose some balls ☺

*This group had to be pieced together as they missed the tee-off photo-ops because Render '72 showed up at Amana on the wrong day to play – Duh!
 (O.K. – so he was one of the most senior golfers present!)*

Andy Fairlie '74, Wayne Render '72, Larry McPhail '72, and Eric Jacobs '75

This would be that "food and frolic" page of interest ☺

O.K. fellas, let me pontificate fer just a bit about why we have gathered today.....

Is he for real? How do these old geezers do it!?

....and these four in the shower, those six on the headboard.....

Oooo – shit that looks bad!

Can you use udder balm on that?

RAMMING SPEED!
Now, right turn, Clyde....&#^@(#(&! Geeses

Jack Minder '81, Mike Knipp '84, and Chuck McDonald '84.

Let's HAVE ONE
THE FIELDHOUSE
